

Kimberly Davis' AV/Staging Requirements

- If there is a lectern on the stage, please remove or push to the side
- Kimberly can adjust her presentation to any style seating
- Small bistro-sized table for keynotes; large table 4-6' for workshop
- LCD projector (for all but OnStage Leadership)
- Screen (for all but OnStage Leadership)
- For groups of 30+, wireless microphone, preferably a headset
- Please let Kimberly know whether you would like her to use her computer for her presentation, or bring her slides on a thumb-drive. Kimberly uses a MacBook Pro, and the proper connectors need to be available.
- A wireless presentation clicker (preferably Logitech)
- OnStage Leadership has very specific logistical requirements. Please contact speaker@onstageleadership.com if interested in more information.
